

Objects

The objects of the association are—

1. To encourage, promote and arrange social, recreational and sporting activities and events for and with members.
2. To encourage visitors to become involved in activities & events arranged by members.
3. To extend membership and encourage NEW Poona residents to join the Association through periodic "welcome" activities/communications/special events.
4. To ensure, through the Association's ongoing awareness and influence that the progress and development of Poona is such as to be in sympathy with the land, foreshore and marine environments and the best interests of the majority of the residents of the Village.
5. To develop and maintain a strong ongoing, relationship with the Fraser Coast Regional Council to help Poona residents to influence local government processes, funding and services to this community
6. To maintain, secure and further develop the building and its associated facilities to be available for use of the Association and its members at all reasonable times.
7. To make specific purpose donations, when appropriate to the circumstances, but only with the approval of a Monthly General Meeting and particularly to support the work of local community voluntary organisations.
